

A VISION WORTH INVESTING IN

When you support Cowichan Sportsplex, you join a team of winners who are fighting for this community's right to have a state-of-the-art outdoor, multi-sport venue that is open 365 days a year for athletes and casual players of all levels.

Our more than 200,000 annual visitors come from all background and all abilities. Para-athletes find our facilities welcoming and accessible, and people recovering from injury say our recycled tire track has a level of give that is good for their joints. Other non-profit organizations use our site to hold their fundraising events and walk-a-thons, while sporting groups discover community and competition on our playing fields.

As an independent, non-profit charity established by the Chesterfield Sports Society in 1996, Cowichan Sportsplex is dedicated to providing quality athletic and recreational experiences year-round. We believe everyone has the right to be their best physical selves, and that healthy, strong citizens make for a healthy, strong community.

Join us in making this vision a reality!
