

Advertising Opportunities at the Sportsplex

ed@cowichansportsplex.com | 250.746.5666

Enrich your community and build your business

Advertise Your Business Here

Join the Sportsplex Community.

Display your business sign and be seen every day of the year.

Our Visitors | Your Audience

A variety of sign locations gives you the flexibility to choose your target audience.

Over 200,000 people visit the Sportsplex each year - athletes, spectators, friends, families, grandparents, fitness enthusiasts, business people, community organizations, services clubs and more.

Some come to play recreational sports, others to train for higher competitions, some enjoy the beauty of the grounds, the excitement of our community events or the supportive social network that has developed over the years.

Great Exposure | Great Value

Most visitors come here often, so they see your sign often. We have lights too, so your sign is seen for extended hours each day.

Some visit from other communities, but mostly they live right here in Cowichan.

Great Message | Great Partners

Your sign tells our visitors that you support their sports and activities here.

It tells them you are our partner and together we are dedicated to better health and vitality in our community.
